The Real Treasure—God

The day draws near...

when human beings will discover how to travel by harnessing the forces of nature.

When we meet

among worlds of worlds

millions, billions of times

larger than the earth,

we shall be able at last

to form a more realistic estimate

of God's greatness and

the absurdity of human pride.

Even our wars will seem wars

not so much of ants but of earthworms!

St Lawrence Feast Day Sunday 9th August

9.30am Multicultural Mass followed by Procession and Shared Lunch

The Feast of St Lawrence is a very special occasion in the life of our parish community.

The celebration begins with a Multicultural Mass at 9.30am (instead of the 3 regular Sunday morning Masses), **followed by a Eucharistic procession** on the streets near the church.

This is a great way to demonstrate our faith publicly by walking with the Blessed Sacrament, praying and singing together, **finishing with a light shared lunch at about 11am** in the Alverna hall. Everyone is welcome to come along and bring a plate of some traditional food from your country of origin to share, if you can. **Please join us for this special parish celebration.**

Blessing of Cars—This Weekend

After all Masses cars will be blessed and sprinkled with holy water as they exit the school car park.

Some Statistics

Last week we received a summary of the National Census 2016 regarding our Parish. Here are some of the numbers: Total number of people within the boundaries of our Parish **25,000**; Catholics within the Parish **8450** (34% of the population); church attendance (based on the last counting in March 2020) **8%** of the number of Catholics in our Parish. What do you think about that?

New Air Conditioning at St Lawrence Church

A few weeks ago a reverse cycle air conditioning system was installed. Total cost is \$43,000. We have received \$7100 as a special collection towards this project. It is not too late to make a special contribution towards the project. *Fr Emil*
